The Sikorsky Aircraft Security Officers' Association has elected to do a production run of Union T-Shirts. The shirts are 100% cotton (very similar to the VH-92A shirts handed out a few years ago – pictured below). The sizes range from S through 4XL. The Union will provide each member with one (1) shirt in any size they request at no cost to the member. The color of the shirt is black so it can be worn underneath the uniform top.

Additional shirts will be available for purchase as well. A price guide for that can be found below. Prices listed are maximum prices that members will have to pay per shirt. The more shirts that are purchased total, the cheaper each shirt will be. *Payment for shirts will be taken at a later date.*

Step 1 – Write in a size next to your name on the ORANGE sheet for the free shirt.

Step 2 (OPTIONAL) – Fill out the GREEN sheet with how many of each size you would like to purchase.

Price per Shirt by Size	
S through XL	\$14.35
2XL	\$16.71
3XL	\$17.71
4XL	\$18.71

This is the same shirt type that our design will be printed on. The fabric and 'model' of the shirt is the same.
