

Hello,

As discussed at the last general meeting we will be ordering security association challenge coins, (see attached example). Each member will receive two coins at no cost to you. Should members wish to purchase additional coins, at their own expense, the cost will be \$5.25 each. Please fill in your name and the number of coins you wish to order, above the initial two. Or see Ed Koether to place an order. Please make any selections by October 10, 2019.

Please note, if three months from now someone wants to order more coins, there will be a minimum of 100 needed and a higher per coin price so if you are thinking about it, get them now at the group price.
